Read Fact coming from the admission rules, the existing license and the certificate of accreditation of the relevant areas of training (specialties), as well as his consent to the publication of the results of external independent evaluation (entrance exams), the presence of grounds for admission without competition, to the processing of his personal data only basis, and the use of their respective subsections of NTU "KPI" is recorded in the statement of the applicant and confirmed by his own signature when applying for participation in the competition.

The procedure for putting the candidates to study admission tests.

Candidates for studies in accordance with the state order is required to pass such professional entrance tests:

professional and psychological selection;
assessment of the level of physical fitness.

Professional-psychological selection includes assessment of aspiration, assessment of the level of neuro-psychological assessment of sustainability and ability to learn.

The study of individual psychological qualities of the sections mentioned above is carried out under the program approved in accordance with established procedure.

Individual psychological qualities of the candidate rated as "recommended" or "not recommended".

The maximum score of individual psychological qualities of 200 points (for the scale of estimation of 100 to 200 points). Candidates who during testing of individual psychological qualities found neuro-psychological instability, as well as those that when tested scored less

than 124 points, is inconclusive professional psychological selection, and not recommended for study. They are deducted from the number of candidates for admission to the Institute.

The level of physical fitness is determined by the results of the practical implementation exercise. Checking the level of fitness is required for candidates to study according to the state order.

the level of physical fitness test program includes: for youths:

100 Metres and 3000 meters;

pulling up on the bar (number of times); for girls:

100 Metres and 1000 meters;

comprehensive strength training (hereinafter - CCU), which runs for 1 minute: the first 30 seconds - the maximum number of tilts forward, not touching your hands feet from a prone position on his back (his hands behind his head, legs attached); the next 30 seconds - without waiting for the rest to return to the emphasis lying down and perform the maximum number of flexion-extension arms (straight body, arms flexion and extension, not touching the floor-feeding).

All the exercises are taken in one day. Dress code - casual.

To complete the exercises given one attempt. Repeated exercises in order to improve assessment is not allowed.

During the execution of each of the above exercise, the selection committee points accrued in the order of scoring for the performance of physical exercise for young men (Table. 1) and girls (Table. 2), which meet the requirements relating to fitness.

If the results of the three exercises candidate scored less than 3 points, or at least one exercise - less than 1 point (regardless of the amount of points for the other exercises), the entrant from among the candidates for admission to the school Derzhspetszv'yazku deducted by the decision of the selection committee.

The decision of the selection committee for such candidates drawn up a separate protocol.

During the exercises with a score greater than 50 points, there are an additional 1 point: for

Інститут спеціального зв'язку та захисту інформації
Національного технічного університету України
"Київський політехнічний інститут імені Ігоря Сікорського"

every 0.1 seconds. - In the women's 100 meters; for every 10 seconds. - In the women's 3,000 meters; while pulling up - for every excess of the norm; for every 3 seconds. - In the women's 1,000 meters; when the integrated strength exercises - for every excess of the norm.
