

Computer sciences and telecommunications

The Institute provides training programs for specialists training in the areas of knowledge: "Computer science and computer engineering", "Radio communication equipment, electronic devices and communications."

№ s/n	The name of the program (of course)	Apprenticeship and volume of training hours (Days, hours)	Terms of employment
I. Field of knowledge "Informatics and Computer Science"			
Direction "Computer Science"			
1.1	Organization and content-monitoring system information resources of the Internet	12 days, 80 hours	As the acquisition of
1.2	Design and construction of local computer networks	10 days, 72 hours	As the acquisition of I
1.3	Virtual corporate networks in public IP networks	10 days, 72 hours	As the formation of
II. Industry knowledge "Radio communication equipment, electronic devices and communication"			

Інститут спеціального зв'язку та захисту інформації
Національного технічного університету України
"Київський політехнічний інститут імені Ігоря Сікорського"

Direction "Telecommunications"			
2.1	Company training managers and professionals telecommunication units	10 days, 72 hours	As the acquisition of I
2.2	Network technology and transport telecommunication systems	12 days, 80 hours	As the acquisition of
2.3	Monitoring and management information systems and telecommunications networks	10 days, 72 hours	As the acquisition of
2.4	Fundamentals photonic transport networks	10 days, 72 hours	As the acquisition of
2.5	Administrative data networks	10 days, 72 hours	As the acquisition of
2.6	Electromagnetic compatibility of radio special purpose	12 days, 80 hours	As the acquisition of

At the customer's program course within the scope of training hours can be adjusted.

Timing the start of classes are defined as the acquisition of learning (at least 7 persons) and prepare appropriate agreements for the provision of educational services.

The cost of training one student is 2900 UAH., A group of students from one customer (10 - 20 people) is 20,000 - 25,000 USD.
