

Information security in the sphere of CIP

The Institute conducts training courses in the field of cryptographic protection of information professionals for training programs in the field of cryptographic protection of information

The list was approved by the Cabinet of Ministers of Ukraine of 25.05.2011 # 543 r ..

№ s/n	The name of the program (course)	Duration of training and the amount of training hours (Day hours)	Dates of employment
Branch knowledge "Information Security" specialty "Safety of Information and Communication Systems"			
1.	Organization of cryptographic protection of information	12 days, 80 hours	With the acquisition of the group
2.	Security in Information Systems	14 days 126 hours	По мере комплектования группы
3.	Mathematical Foundations of design and analysis of symmetric cryptosystems	10 days, 72 hours	With the acquisition of the group
4.	Modern technology of synthesis of symmetric cryptosystems	10 days, 72 hours	With the acquisition of the group

Інститут спеціального зв'язку та захисту інформації
Національного технічного університету України
"Київський політехнічний інститут імені Ігоря Сікорського"

5.	Analysis of cryptographic protection of information	12 days, 86 hours	With the acquisition of the group
----	---	-------------------	-----------------------------------

Perform tasks in the field of ultrasound

№ s/n	The name of the program (course)	Duration of training and the amount of training hours (Day hours)	Dates of employment
Branch knowledge "Information Security" specialty "Safety of Information and Communication Systems"			
1.	Organization and security of special communication	12 days. 80 hours	With the acquisition of the group
2.	Professional training program managers and specialists of special communication units on communication, informatization and protection of information	12 days. 80 hours	With the acquisition of the group
3.	Organization of training of managers and specialists of information and telecommunication units	10 days. 72 hours	With the acquisition of the group

Інститут спеціального зв'язку та захисту інформації
Національного технічного університету України
"Київський політехнічний інститут імені Ігоря Сікорського"
